

CHAIN SAWS

SP 420

Stiga SP 420 Petrol chain saw

Brand new petrol chain saw to obtain the maximum results.

Try it and your way of working will change immediately. The vibration is effectively damped by steel-springs according to latest technology. It meets the new pollution normatives with Strato Clean Technology. The air-filter is easy to access without any tool. The chain is tensioned from the side.

The SP 420 has a high safety with double acting chain brake protection as well as a large chain protection cover for front-hand.

The saw is easy to start with electronic ignition system and has an adjustable oil pump.

It has a moder 2 stroke engine of 40,1 cc and 1,9 kW. Bar is available with 16".
